## GETS BIG FUND AT REVIVAL SERVICE

Evangelist Snively Succeeds in Lifting Debt From Hanover Avenue Christian.

Special evangelistic services will be held today, and during the first three days of this week, at the Hanover Avenue Christian Church, corner of Allen and Hanover Avenues, by Rev. George L. Snively, of Lewiston, Ill.

Mr. Snively is an evangelist of note, and has recently become widely known through his efforts in securing funds for new churches and in extending church work. In the fifty-two Sundays of the past year he has dedicated forty-five churches.

Mr. Snively conducted the special dedication services at the Hanover Avenue Church on Sunday. At that time the church had just been completed, and there remained a debt on the building of \$25,000. Before opening the series of evangelistic meetings, Mr. Snively undertook to lead a movement to raise this amount, and during the past week has not only paid the entire debt, but through the liberal support of those who have attended his meetings, has raised for the church a total of \$1,000. At the same time, while carrying on the campaign for money, there have been twenty-two additions to the church by conversion.

Mr. Snively speaks this afternoon at the Central Y. M. C. A. He will speak at the Hanover Avenue church this morning on the subject, "The Last Word," and at 8 o'clock to-night on the subject "Almost Persuaded." He will preach on Monday, Tuesday and Wednesday nights at 8 o'clock. On Sunday next he expects to be in Danville, Ky., to dedicate a church, of which the pastor is Rev. H. C. Garrison, a former pastor of the Allen Avenue Christian Church, in this city.

[Special to The Times-Dispatch.] Jacksonville, Ill., April 4.—Attracted by the light for the life of Congressmen Brenner, who was given the radium treatment for cancer by Dr. Kelly, Dr. J. L. Cronin left today with Mrs. Brenner for Baltimore, where she will be given similar treatment.

## STATE COMMITTEE COMMENDS WILSON

Also Selects Date for Democratic Primary in Georgia to Name State Officers.

Atlanta, Ga., April 4.—Condemnation of President Wilson's stand with reference to the repeal of the Panama Canal tolls exemption act, praise for his success in his campaign for tariff and currency reform, and the selection of dates for Georgia's Democratic primary and State convention were the features of the meeting here to-day of the State Democratic Executive Committee. The primary for the selection of two candidates for United States Senator, as well as for Governor and other State officers, will be held on August 15. The State convention will meet at Macon on September 1.

All was harmonious until the Panama tolls exemption subject was introduced. The mention of this, however, precipitated a sharp debate, in which certain of the committee members criticized the position taken by President Wilson, while others warmly defended him. The resolution commending the President finally was adopted, 24 to 7. A second resolution offered by Clark Howell, member of the National Democratic Committee from Georgia, congratulating the President upon the successful outcome of his fight for currency and tariff reform, was unanimously adopted.

Adoption by the committee of the county unit plan, to apply to all offices to be filled by State-wide vote, was another important feature of today's meeting.

While the adoption by the committee of the county unit plan was not unanimous, a majority of the committee having announced previously that they favored the idea, opposition developed when the time came for action to-day. Chief opponent to the plan was J. Hill Hall, of Macon, who contended that the county unit rule applied to senatorial contests was directly in violation of the Federal amendment providing for the popular election of Senators.

Under the provisions of the county unit rule, the candidate polling a majority of the votes cast in any county at the primary is entitled to the entire vote of that county at the State convention. The senatorial primaries formed the principal topic of discussion among the committeemen and other political leaders here. As yet, no candidate has announced himself to oppose Senator Hoke Smith, who will seek re-election to the term beginning on March 2, 1915.

Two candidates are in the field for the nomination to fill the unexpired term of the late Senator A. O. Bacon. They are Congressman Thomas V. Hardwick and Thomas S. Felter, former Attorney-General. Senator W. S. West, appointed to serve in Senator Bacon's place until after the fall election, has not announced whether he will be a candidate.

## FOSTER FAILS TO APPEAR

[Special to The Times-Dispatch.] Mobile, Ala., April 4.—Joel M. Foster, the wealthy real-estate magnate, failed to appear in the Police Court today for trial on the charge of living at a hotel with Deliah Bradley, of Pemberton, N. Y., his sixteen-year-old stenographer, and her mother.

Foster's \$500 bail bond was declared forfeited and an alias writ of arrest issued.

## CANNON SAILS FOR BERMUDA

[Special to The Times-Dispatch.] New York, April 4.—Former Speaker Joseph G. Cannon sailed today for Bermuda on the Royal Mail Steam Packet Arcadia. He will be away two weeks, and despite his seventy-six years, says he expects to tango and one-step with the youngsters.

"It is no use asking me to talk about politics," he said. "Everybody knows how I stand. I am surprised at the manner in which some of the New York newspapers are advocating the repeal of the exemption clause in the canal bill. The port of New York is the biggest in the world, and if the country does nothing for the benefit of our shipping, what is to become of our merchant marine? It is a matter more vital to the future prosperity of New York than it is to any other port."

## "THERE IS BUT ONE FAIR AND HONEST WAY"

To Determine the MERIT of a Ready-to-take Medicine

No one can speak positively of the worth of any medicine until he has tried it. Not tried it on others, but tried it on himself. Any one who has been afflicted with a chronic ailment and experienced relief from some remedy, he and only he can give testimony that is worth anything concerning the remedy.

The people who have taken Peruna know what Peruna is. The people who have read about Peruna, or heard about Peruna, have a more or less imperfect knowledge of it. The true test, the only fair and honest way, is to try it. Read the remarks below, made by people who know Peruna. If you are interested, send to us for the "Ills of Life," full of similar testimonials from honest men and women all over the United States.

Mrs. A. E. Stouffer, R. R. 1, Sabetha, Kas.: "Peruna has given me health and strength. It is the best medicine that was ever made for women. My friends say they never saw such a change in a woman. I talk to every one about Peruna. I cannot say too much for it."

Mr. Isaac Horrenga, Fremont, Mich.: "I was taken sick last spring, unable to work for three months and a half. My weight was reduced to 135 pounds. At last I was advised to use PERUNA. I have now gained my usual weight. PERUNA gave me a splendid appetite. I feel strong."

Miss Marie A. Lesser, No. 922 35th St., Chicago, Illinois, writes: "I was troubled with systemic catarrh for years. The catarrh had got all through my system, head, throat, stomach, and other internal organs. Tried many remedies. Did no good. Took Peruna at the suggestion of a friend. Was surprised at results. I am now perfectly well and strong. That weak, tired feeling has left me." Mrs. Alvina Panaman, No. 2925 Elm St., Milwaukee, Wis.: "I am now able to do my housework again, and have a good appetite. Peruna did it for me. We always keep Peruna in the house. We all use it. My husband and children. I thank you a thousand times for your advice."

## LOSES "LUCKY" BRACELET

Belle Beach Attributes Her Misfortune to This Occurrence.

[Special to The Times-Dispatch.] New York, April 4.—The loss of a "lucky" bracelet is declared by Belle Beach, well-known as an instructor in horsemanship riding, to have effected her financial ruin, to such an extent as to be directly responsible for the petition in bankruptcy which she filed here today. The liabilities are put at \$2,392, with no visible assets.

Miss Beach declared that her luck changed immediately after she lost her mascot bracelet in Philadelphia in 1905, and that her course has been dogged by bad luck since then.

"In every event in which I wore that bracelet," she said, "I won. And I began losing the day I lost that little band from my wrist. The moment I missed it, I began to fear for my prestige."

Miss Beach holds a prominent position among riders of this country, her entries being prominent in the rosters of all the largest shows. She rode all the largest teams, J. W. Harrington, Pierre Lorillard and C. K. G. Billings, and drove Alfred Vanderbilt's famous team.

## POLICE CAPTAIN ENDS LIFE

Officer in Charge of First Precinct in Washington Shoots Himself.

[Special to The Times-Dispatch.] Washington, April 4.—Police Captain Thomas J. Hollnberger shot himself in the right temple in his home here early to-night. He died an hour later in a hospital.

Captain Hollnberger commanded the first precinct, which included the segregated district, recently abolished by Congress. He was on leave of absence. Rumors have been current in police circles recently that charges were to be preferred against him, but their nature had not been disclosed.

## PRINCE CAROL DECORATED

Czar Confers Order of St. Andrew on His Daughter's Financier.

[Special Cable to The Times-Dispatch.] St. Petersburg, April 4.—Confirming the announcement of the coming marriage between Prince Carol, heir presumptive of the Roumanian throne, and Grand Duchess Olga, eldest daughter of the Czar, the latter to-day conferred the Order of St. Andrew on Prince Carol. This is an unusual distinction, and one which is conferred only on the most exalted personages. A state dinner is to be given at the Imperial Palace, at Tsarskoe Selo, on Tuesday, at which time it is said, the betrothal will be officially announced.

## NO DANGER OF BEING LOST

[Special Cable to The Times-Dispatch.] Turin, April 4.—A Slovenian missionary just arrived from Brazil, who was interviewed about the possibility of Theodore Roosevelt being in trouble in the wilds of South America, declared that it would be impossible for the former President of the United States to lose his way in the Mato Grosso wilderness. He pointed out that Roosevelt was accompanied by a Panamanian father, who is in possession of a map. This map was made in 1897, and contained all the information necessary for the guidance of the party.

## FOUR MURDERED BY INDIAN YOUTH

Entire County in Fever of Excitement, With Threats of Lynching Heard.

Oklahoma City, Okla., April 4.—Four persons are dead and the entire Indian country in Seminoe County is in a fever of excitement to-night with threats of lynching being made as the result of a murderous attack by two Indian youths early today upon the home of David Bolegs, wealthy Indian farmer, four miles southwest of Seminole, Oklahoma, which is about fifty miles east of here. The dead: David Bolegs.

Mrs. Bolegs, his wife, Jimmie Walker, aged fourteen, nephew of Bolegs, Baby daughter of the Bolegs, aged two.

The body of the man and the forms of the three others were discovered early today by neighbors. The man's body was found seated in a chair in his home. He had been shot through the head. In his hands was a newspaper. Just outside the house lay the wife of the dead man in a pool of blood. The woman had been shot, beaten and assaulted. She was lying inside of the house and in bed with her nephew and the baby girl. The fourteen-year-old boy was unconscious, his skull beaten to a pulp. The baby had been shot twice through the head and had died instantly.

In a statement made just before her death the woman said two Indian youths, who she declared were intoxicated, knocked on the door of the home early today. Bolegs, she said, admitted them. Shortly afterward, according to her statement, the two Indians shot her husband to death as he sat in the chair and then attacked her. The woman in her statement declared that the two Indians were known to her as Penosha and Hully Holatta, brothers, living near Wewoka, Seminoe County. This afternoon Sheriff Henry Moore, of Seminoe County, arrested the two Indians in the eastern part of the county and took them to jail at Wewoka. Soon afterward a posse composed, it is said, of members of the old tribal organization known as the Seminoe Light Horsemen, killed Seminoe, and it is said they made threats to lynch the two brothers.

## NEWSBOY KILLED BY POLICE PATROL

(Continued from First Page.)

Which was furnished by Henry Mc. Kinley, for his appearance in Police Court.

Arrested by Reckless Driving. Coroner Taylor, who viewed the body, ordered it turned over to relatives, and announced that he would conduct an inquest into the case tomorrow morning at 10 o'clock.

Whether Metcalf will be brought before the Board of Police Commissioners, or whether he will depend upon the result of his trial, it is upon the chief said, "and will take no further steps in the case until he is tried."

It is expected, however, that the commissioners will take cognizance of the case in view of the repeated complaints which in the past have caused them to take action with regard to the operation of the motor vehicles of the Police Department.

This is the second fatal automobile accident in Richmond within two days, and has caused much public feeling, making a strong sentiment against careless, reckless and fast driving.

## PRIZE BABY OF PANAMA

Proud Mother Says Isthmus Is Best Place to Bring Infants Up In.

[Special to The Times-Dispatch.] New York, April 4.—The mother of a baby of Panama, underweight months old, who was brought to this city by her father and mother on the liner Tendamora, declared today that Isthmus is the best place to bring up babies in. "She has never been ill since she was born, and has never given a moment's worry. She is as happy as a kitten as a baby."

It is an accepted fact that Panama is the best country in the world to bring up babies in. There have been many hundred American babies born on the Isthmus, and the death rate is much lower than in the United States.

## THIS IS "GO TO CHURCH" DAY

From President Down, Washingtonians Pledge Attendance.

[Special to The Times-Dispatch.] Washington, April 4.—Everybody, from President down to the dancers in popular dancing halls, here have been asked by the promoters of the "Go-to-Church" Day to-morrow to make April 5 a record breaker in point of attendance here. President Wilson has promised to make a point of going, his Cabinet have taken into line, and the diplomats approached have also pledged themselves to go. At a public dance last night, over 1,200 dancers held up their hands in promise to go to church to-morrow.

## MAXIM GORKY RESTORED

Cured of Pulmonary Tuberculosis by Application of X-Rays.

[Special Cable to The Times-Dispatch.] St. Petersburg, April 4.—Maxim Gorky, the novelist, in a letter written to the newspaper Russky Slovo, declares he has been cured of pulmonary tuberculosis by means of applications of Roentgen rays to his spleen.

The news has caused great rejoicing among the friends of the novelist, who had given him up for dead when he went from here to the South of Europe a few months ago, shortly after he had received permission from the government to return here from Capri.

Gorky says the X-ray treatment was administered by Dr. Manukhin, of Capri, as a last resort after an examination, which showed both lungs to be affected by the disease. The rays were applied to the spleen four times while the patient inhaled in front of the machine. Dr. Manukhin's theory was that the rays intensified natural elements into therapeutic agents. Gorky says the progress of the disease has been arrested, and that he is already regaining the weight he lost before the new treatment was applied.

## NO CENSURE FOR WILSON

Methodist Conference Tables Resolution by Vote of 80 to 73.

[Special Cable to The Times-Dispatch.] New York, April 4.—A resolution introduced to-day in the annual conference of the Methodist Church criticizing the President for attending Catholic mass on Thanksgiving Day, and suggesting that the practice be discontinued, brought forth a host of supporters and storm of protest when it was introduced by Dr. Thomas S. Ford. It was taken by a bare majority of seven votes, seventy-three members of the conference voting for it and eighty voting to table the resolution.

Whereas, for several years past the President of the United States has honored the Roman Catholic citizenship of this country by attending the Roman Catholic mass on Thanksgiving in Washington, and, furthermore, as that service has been widely construed at home and abroad as the official Thanksgiving service of the United States, we, the members of the New York Conference, assembled in the City of New York, most respectfully suggest to the President the propriety of discontinuing the practice.

resolutions, signed by the presiding bishop and the secretary, be forwarded to the senior bishop, resident in Washington, with the request to present this action of the New York Conference to the President of the United States.

## PROGRESSING FAVORABLY

Bennett Able to Leave Bed, but Confined to Apartment.

[Special Cable to The Times-Dispatch.] Cairo, April 4.—The official statement to-night from physicians attending James Gordon Bennett, the New York millionaire, says he is "progressing favorably." Mr. Bennett was today able to leave his bed, but is still confined to his apartment. This morning the patient was permitted to sit at the window a short time in order that he might get the benefit of the fresh air. The danger mark is not yet passed, however. This fact leaves the whole Bennett party, with the exception of Sir John Maxwell and Duke Lamasa D. Camerata, at the hotel. These two take walks daily.
